The World's Youngest Drummer, Julian Pavone, Launches New Clothing Line and Captures the Attention Of Hollywood!

By PR Newswire

DETROIT, Aug. 8 /PRNewswire/ -- Considered by many to be the "Tiger Woods of the Music Industry", Julian Pavone has been shocking the world with his talents. He has appeared on several national and network television shows, including "Martha Stewart", "Good Morning America", "Inside Edition", "Fox News Dayside", "WGN", "MSNBC", and many other programs. He has also received accolades in newspaper articles throughout the country and from as far away as Italy, China, and Brazil. He has performed live on numerous radio stations, for the NBA's Cleveland Cavaliers, at a VIP party for the Chicago Cubs season home opener, at the NBA semi-finals for the Detroit Pistons, and even at the House of Blues. Julian has already released a CD, entitled "Go Baby!", with legendary bassist Ralphe Armstrong. All of this accomplished before his second birthday!

Recently, Julian has become the inspiration for a new clothing line. Julian's parents, in collaboration with Dan D'Addario and Adria DeAngelis Veit, have created the line showcasing his adorable new logo.

Dan, an illustrator and designer in the automotive field since 1980 and editorial cartoonist for Crain's Detroit Business magazine since 1996, captured Julian's signature style in a logo featuring his perpetually present drums, drumsticks, cap, and of course, pacifier.

Julian's CD and newly created clothing line will be available at his next performance. On August 19, 2006, he will be a featured performer at the Woodward Dream Cruise -- the world's largest classic car show, expected to feature more than 50,000 classic cars and nearly 1,000,000 spectators. Ralphe Armstrong, the United Drumline, and William Winfield, III (founder of the United Drumline), will also be performing with Julian at this event.

Through all of this, Julian may soon be seen on the big screen! Independent Film Producer and Detroit attorney, Jerome Barney, has offered him a part in a movie filmed in Detroit and co-produced with a group from Hollywood. He has stated, "Julian Pavone is a magnificent musical prodigy. His abilities suggest that he may also blossom as an actor. The built-in worldwide audience he is developing as a musician and entertainer gives him tremendous marquis value for the movie industry."
