DETROIT, March 30 /PRNewswire/ -- What does a two-year old have in common with a former NFL football star and executive? Musical talent! You can experience it LIVE on April 2 at Grand Circus Park in Detroit!

Larry Lee first heard of Julian Pavone while working on his new album at Detroit's legendary Harmonie Park Recording Studio. While Michael J. Powell, Mark Pastoria (Multi Grammy Award Winners), and Brian Pastoria (Harmonie Network CEO), were working on the production of Julian's upcoming TV Show, "Finding Julian's Band", Larry saw the video footage and stated, "I would love to jam with that baby, this is crazy!" Brian Pastoria immediately introduced Larry to Julian's management team. Tim Muir, a mutual friend of Larry and Julian's dad, then orchestrated this exciting event.

Larry Lee spent 17 years in the NFL, 8 as a player and 9 as an executive. He participated in Super Bowl XXII while playing for the Denver Broncos. LL and BITD was nominated as the "R & B Band of the Year" in 2005/2006/2007. Larry was the 2006 "Urban/Funk Musician of the Year".

Many consider Julian Pavone the "Tiger Woods of the Music Industry". At only 19 months old, Julian recorded his CD, "Go Baby!" He has appeared on many television shows, including "Good Morning America", "Martha Stewart", "Inside Edition", "MSNBC", "WGN", "FOX News Dayside", "Good Company", and locally, "Fox 2" and "WDIV 4". He has also received accolades in newspaper articles from every corner of the world. He has performed for the Detroit Pistons, Cleveland Cavaliers, at a VIP party for the Chicago Cubs season home opener, at the House of Blues, inspired the creation of Harmonie Network (a national entertainment and music company) and launched his own clothing line.

In February, Julian received The 2007 Rock and Roll Lifetime Achievement Award, presented by the Hard Rock Cafe Cleveland. He has also been awarded full artist endorsements from Sabian Cymbals, Vic Firth Drum Sticks, and Innovation Drums. Most recently, a production crew from South Korea, on behalf of Seoul Broadcasting Systems, completed three days of filming for a documentary about Julian, which is scheduled to air this April. All of this accomplished BEFORE his third birthday!
