As a traveling Rock Star at such a young tender age, Julian's parents, his strongest supporters, were concerned about his busy schedule. Julian's mom, Lisa Pavone M.D. double board certified, recognized the immediate health benefits of drinking LIFE Alkaline Water. "Ensuring cellular hydration has certainly helped Julian cope with his never ending busy schedule" says Lisa Pavone M.D. Traveling with Life Ionizer Alkaline Water around the country, Julian is not only entertaining the masses with his astute musical gift, but also educating people on the benefits of drinking Alkaline Water. Julian's public support for Dr. Craig Oster and Craig's struggle with ALS prompted Life Ionizers to answer the call! In partnership with Julian Pavone, Life Ionizers created a website dedicated to financially supporting Dr. Craig's ALS battle. Now, you can enjoy the benefits of drinking Alkaline water (<http://www.lifeionizers.com>) while supporting Dr. Craig's battle, all thanks to young Julian Pavone. All profits from [www.LittleDrummerIonizer.com](http://www.LittleDrummerIonizer.com) will go to Dr. Craig's Oster Trust Fund. Such is young Julian's support for ALS, that in 2009, Julian was named Muscular Dystrophy Association Honorary Goodwill Ambassador. Life Ionizer is honored to be supporting Julian Pavone and Dr. Craig Oster.
